Headteacher: Mr. John Baudains

Tuesday 17th July 2018

Dear Parents and Carers,

Final Newsletter part 2!

Apologies- there were some newsletter items that should have been included in the July newsletter that were missed off!

Medication

All medication (asthma inhalers/Epi-pens/prescribed medication) will be sent home for the holidays to be returned clearly labelled on the first day of term, handed to your child's class teacher. Please ensure that expiry dates are checked and medication replaced as necessary. Epi-pens will be handed to parents by your child's class teacher. Please collect any medication that is held in the office from Mrs. Paine by the end of Friday.

Lost Property

Today and Friday after school any unnamed items of uniform/water bottles/snack boxes etc. will be on display outside the front of school. Please ensure that you check if any items belong to your children. Any items that haven't been claimed by the end of school on Friday will either be donated to the PTA uniform sale or another charity. There are numerous items, several that are almost brand new, so please check very carefully!

Bikes/Scooters

Please remove any bikes/scooters that are stored on the bike racks during weekend and holidays as unfortunately we continue to experience frequent acts of vandalism in the school grounds.

Library Challenge

It would be wonderful if as many La Moye children as possible took part and completed the library Summer challenge to read 6 books over the holidays. This challenge is always great fun, and it would be impressive if we had even more certificates and medals to award this Autumn than last year! For more details pop into the library at Les Quennevais or in town.

Mr. Murphy- Teacher of the Year nominee!

We have just found out that our very own Mr. Murphy has been nominated for the 'Teacher of the Year' award as part of the JEP annual 'Pride of Jersey' awards! The voting for this starts over the holidays...it would be great to have a La Moye winner and Mr. Murphy works so hard to make sure his class, and children across the school in sport, have great learning and sporting opportunities. Well done Mr. Murphy for being shortlisted!

News from Year 6

States of Jersey Police Children and Young People Pledge Launch

Recently, La Moye School was invited to take part in the States of Jersey Police Children and Young People Pledge Launch. Daria S and Charlie B represented the school at this important event alongside other children from other primary schools from around the island. Their visit included a question and answer session with a range of police officers, including a tour of the new Police Headquarters which included the Operations Centre and Control Room, Scientific Services

Department, Custody Suite and Firearms Officers. Both Daria and Charlie had a super day and were amazing representatives of the school.

Year 6 Primary Schools Sports Festival

Year 6 pupils and staff have had an active and busy time recently, heading to Fort Regent as part of the annual Primary Schools Sports Festival. Pupils had the opportunity to try out sports that they wouldn't necessarily have the chance to, such as squash, circuit training, boxing, cricket and badminton. The favourites seemed to be kick boxing and circuit training! The children also earned points for the school whilst taking part in the activities. These are then compared against all the other schools taking part to find a winning school for this year. All the pupils had a brilliant time and showed what a super, talented group they are.

News from the PTA:

It has been an event packed year for the PTA with events such as movie nights, discos, smoothie mornings and fairs. We have seen lots of happy smiles on the children's faces and it has been a pleasure to witness. We are delighted that we have been able to raise over £12,000.00! We couldn't have done this without the support of the parents so we thank you for your generous donations and contributions throughout the year.

All of the money raised is always for the benefit of the school and we were delighted to be able to purchase 4 of the new interactive white boards in the classrooms. No doubt you will have seen these amazing boards and the difference they have made to your children's learning. We also purchased a charging cupboard on wheels for the iPads which has meant iPads being more easily accessible for the children every day. We also supported the WBD Reading Challenge by matching the sponsorship money raised by the children to purchase Usborne books for the school.

The PTA is solely run by parent volunteers. The 5 Committee roles are Chairman, Vice Chairman, Secretary, Treasurer and Teacher Liaison Representative. The parent led roles are then supported by a PTA Representative for every class. Please do attend our AGM in September if you are interested in any of these roles as they will be up for grabs! We are increasingly finding it is always the same two or three parents that organise our events which is quite an onerous task when they have work and family commitments too. It is therefore proposed to expand the role of the PTA Representatives, which is currently limited to communicating with parents and organising the year group cake sale, to include taking full responsibility for a stall at both the Christmas and Summer fairs. If you are interested in becoming a class representative for your child's class, please email Emma Gower on our PTA email address: pta@lamoye.sch.je

Finally, a big thank you to all those parents who have lent a hand at events this year. Your time and effort is valued and has helped to make our fundraising efforts successful. We wish you all a wonderful summer holiday and look forward to another great year of **fun**draising next year!

Kind
The PTA

regards,

Have a wonderful Summer holiday everyone!

Yours sincerely

Mr. J. Baudains,
Headteacher
